Household Hazardous Waste Sign Up

WHAT IS HAZARDOUS WASTE?

It is any substance that has the potential to injure people, pets or the environment through skin contact or ingestion.

Hazardous waste is in your kitchen, basement, garage, shop or greenhouse.

Examples:

Oil base paint, thinner, solvents, adhesives, stains, cleaners, furniture stripper, ammonia, pesticides, herbicides, insecticides, poisons, fertilizers, tree sprays, fuel carburetor cleaner, flea powder, lye, turpentine . . .etc.

Many items like these can be taken for granted. But if they are not used properly as instructed on the label, or used completely, they have the potential to cause harm to you,

They don't belong laying around!
They don't belong in the greenboxes or landfill!
They shouldn't be dumped out!

Take them to the FREE Household Hazardous Waste Collection Day held the third Saturday of every month.

- **DO NOT MIX WASTES**
- **ACCEPTING ORIGINAL, CLEARLY MARKED CONTAINERS ONLY**
- **NO BARRELS**
- **NO LATEX PAINT** (Hardened latex paint can be thrown away in the regular trash.)

TO PARTICIPATE:

Send us a completed Household Hazardous Waste registration form and we'll mail back a post card with your appointment time.
(Only morning appointments available.)

WHEN YOU ARRIVE AT THE LANDFILL:

Proceed to the Hazardous Waste building and present your card to the staff. Please stay in your vehicle, our staff will do the unloading.

FREE HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY ALWAYS THE THIRD SATURDAY OF EACH MONTH
